*Immediate Release*

19 – 23 April 2012

## **GROW IT. COOK IT. TASTE IT. AT GARDEN WEEK 2012**

Garden Week will again be wowing the crowds with the Grow It. Cook It. Taste It. cooking demonstrations that celebrate an earthy, back to basics approach to growing, cooking and tasting real food, fresh from your garden.

Held at Perry Lakes Reserve, Floreat from 19 - 23 April 2012, the Garden Week cooking demonstrations proudly sponsored by Ferguson Corporation will be on twice daily at 10.30am and 1.00pm Thursday to Sunday with a final cooking presentation at 10.30am on Monday. Visitors will have the chance to taste and enjoy the food prepared and even take a recipe home to try.

The all-star line-up for Garden Week 2012 includes Adrian Tobin from Hospitality Wise, who cater to Qantas lounges, Vince Gareffa from Mondo Butchers, Telina Menzies, Executive Chef at the Publican Group, which has The Aviary and The George in its stable, Theo Kalogeracos from Little Caesars Pizzeria and Executive Chef Chris Taylor from Frasers. The chefs will be cooking a range of dishes from pizza to seafood, all complimented by fresh herbs, vegetables and fruit straight from the garden on an alfresco kitchen, custom made by Ferguson Corporation.

"It's long been a dream of many chefs to walk through a beautifully tended edible garden enjoying the aromas of fresh herbs, fruit and vegetables, picking ripe and perfect produce to use in their creations for customers. The thrill of growing and eating your own produce is hard to beat", says Adrian Tobin, who will be cooking daily.

Sponsor Ferguson Corporation has supplied many West Australians for more than 36 years with high quality custom-built alfresco style BBQs and gas fired pizza ovens, perfect for entertaining and sharing fresh produce straight from your garden.

Mark your calendar now for Garden Week 2012. For more information on the Grow It. Cook It. Taste It. cooking demonstrations and times visit [www.gardenweek.com.au](http://www.gardenweek.com.au), join the mailing list or 'Like' Garden Week on Facebook.
